Letter from the President

Fellow Lions:

It is good to be back home, even if the weather isn't what I would like.

First, I would like to give special thanks to some Lions who stepped in while I was south. Lion Howard Heines and Lion Jim Foster were there to keep the Club running in fine shape. Also, thanks to all the Lions that made the Fish Fry a big success.

Thanks to Lion Paul Russell for setting up our Lakeville Lions web site (lakevillelions.org). You can receive your Lions news letter by email now, or read it on the web site. Please do that and let Lion Paul know so we can stop mailing it to you, and save about \$.50 per person per mailing.

Last Thursday evening, I accepted an award from JESSE. (Joint Educational Special Services Education). The award, known as the A B C D award, is given to persons or organizations that go above and beyond the call of duty working with Challenged Children. The award is given to persons or organizations by each school. The Lions Club was nominated by Tammie Radican and John Farthing, for our assistance with Tammie's class at LaVille. I was very proud to accept this plaque and honor in the name of the Lakeville Lions Club. This is what is meant when we say "WE SERVE".

The new officers have been selected to serve you for next year, and I hope you assist them as well as you helped me this past year.

Lion President

Harold Kabay
