SERVING OUR COMMUNITY SINCE 1943

LAKEVILLE, INDIANA

AUGUST 2005

## Letter from the President

Greetings Fellow Lions

The scoop for the Group

PICNIC SATURDAY AUG. 27<sup>th</sup> 12 NOON at Lions Bob and Sharon Feitz's home, 67889 Linden Rd., Lakeville. PH. 784-8989 Club to furnish meat and drinks, Lions to bring salads and/or desserts, plus table service. After all the hard work at the fair....let's relax by the lake and have fun.

On Saturday, July 30<sup>th</sup>, the Lakeville Police Dept. officially moved into their new offices in The Newton Center. A 'Kids Safety First' fair was held with the Indiana State Police and St. Joseph County Police explaining the new child safety seat laws. Your Lions Club, as a Newton Center tenant, was invited to be a part of the festivities. We were on hand with a display of our activities and projects that we support. We also sold coloring books. Thanks to all Lions who helped out.

An excerpt from Governor Nix's August news letter: A conversation recently repeated went like this. "Oh, I know what Lions do - they sell brooms, light bulbs, raffle tickets, hold golf outings, breakfasts, fish fries, etc". Think about it; Is this your concept of being a Lion?? The reply to this statement was, "Oh no, what we do is buy eyeglasses, check children and adults vision, support scholarships, support cancer research, cornea & tissue transplants, Leader Dogs for the blind, Speech and Hearing for adults & children, and various youth activities such as Scouting and 4 - H. Selling things and fund-raising is HOW we DO the worthwhile projects we do. Do you wonder why our communities know more about how we raise money than how we spend it?? Spread the word around ..... let your friends and neighbors know what we do; ask them to join you by becoming a Lion. Membership is an important part of Lionism, by joining together we can do much more than as individuals and have fun doing it. (Sorry, but I embellished part of the original article the way it was written.)

BY JOINING TOGETHER.....that's exactly what we did for the food booth at the recent St. Joseph County 4 - H Fair. Many individuals, working together, made this a very successful project this year. I will not try to lift up those who went the extra "mile", but believe me, there were quite a few; instead, THANK YOU ONE AND ALL - WELL DONE to ALL LAKEVILLE LIONS. It's too early to give a final report but that will come at a later date.

Lion Jim Foster has scheduled a fair booth clean -up for 6:30 P.M. on Aug. 23<sup>rd</sup>. Please mark your calendar so you can help.

Plan now to attend the diner meeting in September to hear about Lions Sharon and Bob's trip to Hong Kong and the International Lions Convention. I'm sure that this once in a lifetime experience will be very interesting to us all.

In closing, thanks again, to all who in any way helped make our fair project the success that it was and has been over the years. Who can remember the portable, pre fabricated food stand we used to have, which was stored at the fair grounds when we had exclusive rights to open for the carnival people as they moved on Sat / Sun night from the Elkhart Fair to the St, Joe. Fair ??? I DO !!!!!
