

# LAKEVILLE LIONS CLUB

SERVING OUR COMMUNITY SINCE 1943

LAKEVILLE, INDIANA

JANUARY 2006

## Letter from the President

Greetings Fellow Lions

The scoop for the Group

I don't have much to report on at this time. Our involvement to help the Boy Scouts with their fund raiser chili supper in January has been cancelled by the Scouts.

As has been reported earlier, your Lions Club is hosting a Medicare Prescription Drug meeting at the Newton Center on January 18<sup>th</sup> at 1:30 pm for all senior citizens interested in learning more about this program. Please mention this meeting to anyone who needs to know more about signing up for this program. Help is needed on the 17<sup>th</sup> at 1:00 pm to set up the room and also on the 18<sup>th</sup> to direct people to our room and to assist those who need the elevator. Please help if you can.

At the January Board meeting we accepted membership applications for 5 new members. Do you have anyone you would like to ask to be a member of our club?? All you have to do is ask, then explain why YOU are a member. We plan to bring these new members into our club on January 24<sup>th</sup>, when District Governor Nelson Nix will be our guest. Please try to be in attendance that night to show the Governor that the Lakeville Lions Club is truly the LEADING CLUB in District 25G. A first impression can be a lasting impression.

PDG Dave Court reported he has received a request from the John Glen Schools that two students are in need of eye glasses and since there is no Lions Club in Walkerton, could our club help with providing glasses for these students. The board voted unanimously for him to proceed with the purchase of eye glasses for them. WE SERVE Lion Dave also sent letters of thanks to those business and establishments who helped with our Christmas food and toys project.

Lion Don Milzarek reported plans are being made for the Forth of July festival again this year and asked if the Lions would be willing to participate similar to last year. Since we are a service organization, especially the only one in Lakeville, he was told to make plans for us to help.

More 'musing information I came across to help you through the day.

There's always a reason to smile. FIND IT; we're not here for a long time, we're here for a good time.

Your body already has the correct number of holes in it, DON'T make any more.

Don't count the number of peas in a can; it's not an exact science

YOU can only control your efforts; you cannot control the results.

Life was not meant to be easy or hard; it was just meant to be.

BUDGET: a method for going broke methodically.

Yours in Lionism      President Howard      WE SERVE

Speed was high      Weather was not      Tires were thin      X marks the spot.      Burma Shave
