Letter from the President

Greetings Fellow Lions

The scoop for the Group

Only two more news letters to write; I think I'm developing a "short timer's" attitude. The latest report from Lion Treasurer Rob is that our profit for the fish fry was over \$4,300. Great going, fellow Lions; this ranks up there with the best fish fry of all time. According to Rob's data, we have better results when Easter is later in the spring, but that doesn't take away from the fact that everyone did a great job this year.

Next up: the Strawberry Festival at Camp Millhouse, June 9th for Lakeville Lions. Lion Bob Feitz is on top of this project and reports everything is going smoothly. We will be selling Port-a-Pit chicken and pork chops. Each Lion will receive 5 tickets to sell; the price will be the same for both items. Bob doesn't expect any tickets to be returned so please make an effort to sell all of your allotment. If you are able, participate in this project, if you are asked. One half of the proceeds goes to the camp.

While June 10th will be the "BIG" day at Camp Millhouse, Lakeville Lions will be hosting our 7th annual golf outing at Tri-Way Golf Course. This is always a great project and a fun time, that is if you are into "cow pasture pool". Lion Jon Roush is the project chairman and can use all kinds of help: registering the golfers, awarding prizes, and helping with special events. Non-golfers are needed for these activities. Also, if you know people who golf, we need them to participate. Contact Lion Jon or myself for more info. If you know someone in business who would like to sponsor a hole for \$50 or \$100, be sure to let us know. This is good advertising.

The scholarship committee has met and from the applications received, two LaVille students were selected to receive our \$ 500 scholarship awards. These were presented on May 11th at the high school awards program.

The program for our May dinner meeting will be Lions Projects night. We will be having newly elected Cancer Control Trustee Lion Paul Russell and Speech & Hearing Trustee Lion Dave Court make their presentations as well as Lion Paul Camiller present information on the new Sight First 2 project. Plan now to be there.

More STUFF you can't live without ...

- Ever wonder how much deeper the ocean would be WITHOUT sponges?
- If the shoe fits ... get another just like it!
- If you had EVERYTHING you ever wanted ... where would you put it?
- Don't use a big word where a diminutive one will suffice. What?
- Sorry , I just got LOST in thought; its unfamiliar territory!

Enough for this time, hope to see all members at our next meeting, May 23rd. Keep in mind the Lions motto: WE SERVE
