Letter from the President

Greeting Fellow Lions

This is my first newsletter as President. I would like to start out by saying what a great job that Past President Howard Heines has done. He will be a hard act to follow.

We have all hit the road running, starting off a new year in Lionism. On July 4th, in Newton Park, we had an All-You-Can-Eat Pancake Breakfast. Thanks to Lion Paul Russell and his crew for making it a huge success. As that was finishing up, Lion Don Milzarek was getting the town parade started, which was a great parade. When the parade was finished, Lion Howard Heines was getting the miniature golf game set up for the kids to play. That evening, some of the Lions helped the Fire Dept. with parking for the fireworks. This was an all-day event for the whole town, and hosted by the Newton's. Thanks for everything.

But that is not all that has been going on. Saturday night, July 8th, we co-sponsored a Bluegrass Jamboree with the Lakeville United Methodist Church. This was our 2nd jamboree and it was even bigger than the first.

We had our first board meeting of the new year (all members are welcome to attend board meetings). We started talking about the upcoming 4-H Fair. We have scheduled work days on July 20 & 25, to clean & set up for the fair. We need all the help we can get, so please be there. We will begin work at 6:00 p.m. each day. Lion Bob Feitz has prepared the work schedule for the fair, and it is included with this newsletter.

We have just finished up with our 7th Annual Golf Outing. Chairman Lion Jon Roush and his crew did an outstanding job! I don't know how he does it, but it gets better each year.

Let's not forget that our biggest fund raiser, the 4-H Fair, begins the end of this month on 7/28.

It almost seems like Past President Howard Heines did not want us to be bored, so he left us with not 1 or 2 things to start, but 5 things. With everyone's help, we are all doing Fantastic!

King of the Jungle, Lion President Jim Foster
