# LAKEVILLE LIONS CLUB

SERVING OUR COMMUNITY SINCE 1943

LAKEVILLE, INDIANA

SEPTEMBER 2006

---

## Letter from the President

Greeting Fellow Lions

On August 19, Lakeville's Town & Country Festival was held. Lakeville's Lions were well represented: we sold Swan's Ice Cream, we had the miniature golf game, which is always good with the kids, and we also had a jail where people could pay to have someone locked up, and the "prisoner" had to raise bail money to get out of jail. This was also very good. It was a very good festival.

The picnic was held at Bob and Sharon Feitz's home. We all had a great time, with some good fellowship. We had some fabulous food (I ate too much). All of you that did not come really missed out.

The Plymouth Lions Club invited several Lions Clubs to walk in the Blueberry Festival Parade with them. We had a great turn out - our club had the most people there to walk.

Thanks to all of the Lions that helped out in this past month's events.

At this month's dinner meeting, we are going to have our District Governor induct some new members. Come and enjoy some good fellowship. This dinner meeting will be in the Newton Center auditorium.

Next month (Oct. 1, 2006), we hope to be able use Culver Lions Club jail at the Miami Street Festival. We could use some help. To help, call Lion Jim Foster 291-9076.

Our Sponsor for October is KEY BANK. Please use all of our sponsors. Who is the Sponsor for September?

Drive carefully. It's not only cars that can  
be recalled by their maker.

King of the Jungle, Lion President Jim Foster
