A Message from the President

Greeting Fellow Lions,

I am trying something new this year, and I hope you will help me make it work. When you receive your new Lakeville Lions directory, you will see the name of an officer or director next to your name in the directory. This person will be your personal contact with the board. If you have a question or suggestion, please call your contact person. You should expect to receive regular calls from your contact person to provide gentle reminders about upcoming events. Please help me make this work.

4-H Fair Update

It is time for the 2007 St. Joseph County 4-H Fair. The work schedule for the Lakeville Lions food booth at the fair is printed on the back of this letter. Unfortunately, there are still many blanks in this schedule.

This is our single largest fund-raiser. The money we raise through this project supports service projects in our community, across our state, and around the world. We need every Lion to do his or her part to help make this project a success.

If you are able and available to work, but your name is not on the schedule, call a shift manager or Lion Paul Russell (784-9094) and volunteer to work. If you are unable or unavailable to work, ask a family member or friend to work in your place, then call a shift manager or Lion Paul Russell, and add that person's name to the schedule.

We're looking forward to working with you at the St. Joseph County 4-H Fair!
