A Message from the President

Greeting Fellow Lions,

To all of the Lakeville Lions members, family members, and friends who worked so hard to make the 2007 4-H Fair food booth a success, I would personally like to express my deepest gratitude to all of you, for all of the hard work and dedication that was put forth, and taking time away from your family, to make this possible. Lions, family members, and friends worked over 1,000 hours before, during, and after the fair. The sacrifices that represents are awesome. Again, you should be proud of yourselves for a job well done. We salute you.

Lion Ben Leslie
President
