## A Message from the President

Greeting Fellow Lions,

Put Oct 31<sup>st</sup> on your Big Event calendar. Our annual Halloween Party will be held at the Newton Center. Be sure to come. Dress up. Put on a funny costume and have fun. Call Larry Ort and see if he needs any help. Thanksgiving and Christmas are just around the corner. So Dave Court is working on the TOYS FOR TOTS again this year. He will be calling to ask for your help. How many of you Lions received a phone call from your officers last month to remind you of the dinner meeting? LET ME KNOW IF YOU DID NOT. Remember our next dinner meeting is Oct. 23<sup>rd</sup> at 7 P.M.

Lion Ben Leslie  
President

Dress up in costume, or come as you are, but whatever you do, don't miss out on Halloween fun with the Lakeville Lions.

## Dinner Meeting Reservation Policy

Last month, the club paid more than \$80 for dinners for Lions who have permanent dinner reservations, but did not cancel their reservations, did not come to the dinner meeting, and did not pay for the dinners which were prepared for them.

If you are on the permanent reservation list, but cannot attend the dinner meeting, you must cancel by the Sunday before the meeting, or you will be billed for the dinner that is prepared for you.

If you plan to attend the dinner meeting, but are not on the permanent reservation list, please make a reservation. If you come to dinner without a reservation, you may be served last.

The following Lions are on the permanent dinner reservation list:

## Dictionary Project

Lion Howard Heines reports that dictionaries have been ordered for presentation to the 3<sup>rd</sup> and 6<sup>th</sup> graders at Laville Elementary School. This is a joint project of the Lakeville and Lapaz Lions Clubs. This is an on-going project to help with the education of our young people. Last year was the first year for this project, and it was well received by the faculty and students. Each student will receive his or her own dictionary to keep and use as a reference.

## Cancer Control Fund to Host Physician's Seminars for Lions

Physicians from the Department of Radiation Oncology at the Indiana University School of Medicine will present three educational seminars for the Lions of Indiana. These seminars will be presented Sunday, November 11, 2007, beginning at 1:30 p.m., in the Indiana Cancer Pavilion at the Indiana University Medical Center in Indianapolis.

This event is sponsored by the Lions Cancer Control Fund of Indiana, Inc. and the Department of Radiation Oncology at the Indiana University School of Medicine, and is given exclusively for the Lions of Indiana. This will be an excellent opportunity to learn about the latest in cancer treatment and research. Please plan to attend and bring a friend. It will be a relaxed atmosphere with ample opportunities for questions after each presentation. This event promises to be a very informative afternoon. All Lions and guests are welcome.

For more information, contact Lion Paul Russell (784-9094).

## Thought for the Month

I am only one, but still I am one. I cannot do everything, but still I can do something; And because I cannot do everything I will not refuse to do the something that I can do. -- Helen Keller
