

LAKEVILLE LIONS CLUB

SERVING OUR COMMUNITY SINCE 1943

LAKEVILLE, INDIANA

SEPTEMBER 2011

A Message from the President PDG David Court

Quote of the month: As Lions we are droplets of water that together form the World's mightiest ocean of Service – Lions Clubs International President Wing-Kum Tam

Lions Clubs International President Wing-Kun Tam sees Lions as a family that serves our fellow man. In doing so, we see ourselves as part of a network of caring and network of service.

Lion Elsie Wieringa was taken from our family to the family of God. Elsie enjoyed the friendship of the Lakeville Lions family. Our condolences to Lion Rose Russell and her family.

Congratulations and support to Lion Dr. Terry Barker as he steps into his new role as Superintendent of the Mishawaka Schools. Lion Terry leadership is "looking forward".

Sept. 27th dinner meeting. District Governor Lana Wilson will be our guest and speaker. She will present her goals and club expectations for District 25-G for the 2011-2012 Lion year. If you aren't on the dinner list, contact Lion Jean Barlow (291-0689) for reservations. Join our family of Lions for fun and fellowship.

Dictionaries were given to 26 3rd graders of St. Jude Christian School and Michiana Christian School on August 29th. Lion Howard Heines and Lion Harold Kabay made the presentations. The former Centre Township Lions Club had given dictionaries to these schools in the past. Centre had a few dictionaries left and we added the difference.

The Eye-Screening Program is going strong. Lions Don Milzarek and Morgan Thomas have been kept busy serving children and families throughout the county and beyond. A team will be at the Lakeville Sponsored Health Fair on September 24th from 9:00 am to 12:00 pm to be held at the Newton Center.

MDA: Lakeville Lions supported the 2011 MDA campaign in two ways this year. We supported Cheri Sauer with \$500 to keep her out of "jail". Cheri pledged to raise \$1,500 for camp scholarships for MD children. Good news— she raised the \$1,500, therefore no "jail" time. On September 4th, Lions Ed Gorka and Dave Court manned the freezer for ice storage at the 4-H fairground for the 2011 MDA-ABATE event and motorcycle ride. Both agreed their time was well spent. We serve in many different ways.

Union-North-Lakeville Ambulance Service will hold a Chicken Dinner on October 1, 2011 at the LaPaz Community Building from 4:00—7:00 pm. Contact ambulance service personnel for tickets.

Dues are now due. They are \$60.00 for the Lions Year, July 1st to June 30th. Send to Lakeville Lions Club, c/o Lion Rose Russell, PO Box 506, Lakeville, IN 46536.

Angel Food Ministries Project: The number of families served by the Lakeville Lions continues to be a blessing for many families in our community. In July we helped 13 families and in August we saw a big increase in the need, serving 18. The families we serve are by referral only from the area churches, Township Trustee, and Lions Club members. Referral is a requirement, no just calling to say "I want a food box". If you would like to help deliver these "Blessings in a box", contact Lion Dave Grenert. Delivery is the 4th Saturday of each month. We pick up the boxes of food at 1:00 pm at the Lakeville Trinity Church, 302 E. Patterson.

Newsletter-Communication by e-mail: If you receive the newsletter and club communications by US Mail and have an e-mail address, we would like to have you on the club's e-mail list. The advantages are quicker information to members without the cost of postage. Send your e-mail address to Lion Rose Russell at RoseWRussell@gmail.com.

Setting up tables for our dinner meeting could use your help. If you are available at 2:00 pm on any dinner meeting day, call Lion Ed Gorka. Your help will keep you from the enjoyment of the Tail Twister.
