MAY 2014

A Message From The President

Spring truly is upon us, this time no fooling!

Our club continues to stay busy with events, meetings, and requests for service to our community. Thanks to all who continue to make these Lions Club things happen.

Our dinner meeting this month will be our own spaghetti, prepared by Lion Rose Russell and helpers. Please come and dine with us. Mike Hargreaves will present a program about CPR and AED programs of our local fire department. Lions Rick and Gloria McCartney will speak on their upcoming mission to Malta.

Again, we had a busy and fruitful board meeting; minutes are available from Lion Rose Russell upon request, and copies will be available at the dinner meeting.

Remember—a word to the wise is usually sufficient.

Yours in Lionism,
Lion President Max Feitz

HELP WANTED: Project chairmen are seeking volunteers for upcoming projects.

Potato Creek & Lions Strawberry Festival — June 13-14, North Liberty, Indiana — Lion Jim Tillman needs volunteers to work at the club's concession trailer at this festival. We will be selling baked potatoes and cheese curds. Proceeds from this event will benefit Camp Millhouse, a residential camp for people of all ages with special needs.

St. Joseph County 4-H Fair — June 27-July 5 — Lion Mike Wozny will have a signup sheet at the May dinner meeting. Our food booth at the 4-H Fair is our club's biggest fund-raiser and we need the cooperation of every member of our club to ensure success. Proceeds from this event will support a variety of community service projects throughout the year.

SOLD OUT! At the May business meeting, Lions Howard Heines and Robin Vater reported that the Port-A-Pit Chicken & Pork Chop Sale on Saturday, May 10th was a success. We sold out in approximately 4 hours. Many of the sales were to shoppers at the Town-Wide Garage Sale, who took their purchases to the little town park on Main Street for a picnic lunch. It appears that we made nearly \$1200 on this project. The funds will be used to support the mentoring program at LaVille Elementary School.

Club Officers Training: The District Leadership Team will offer Club Officers Training at 4 locations on 4 dates in May and June. See the calendar on page 2 of this newsletter for dates and locations. All officers, directors, and interested Lions are encouraged to attend one of these sessions.

State Convention Highlights: Seven members of the Lakeville Lions Club attended the Indiana Lions State Convention in Columbus, Indiana in late April. This was the largest club delegation from District 25-G. PDG Paul Russell was one of several Lions recognized by International President Barry Palmer at the All-State Banquet on Saturday evening. PDG Paul received a Presidential medal, the second highest honor that LCI bestows on its members.
