JUNE 2014

A Message From The President

Thanks for the support you have given to your club officers, board members, and me. Our successes this year couldn't have happened without you! Congratulations to our incoming president Lion Vic Fischer and the officers and directors for the 2014-2015 Lions year. I am sure they will have a good—no, great—year.

Our board meeting for June was short. As usual, the minutes are available upon request.

Our food booth at the St. Joseph County 4-H Fair is our single largest fund-raiser, and it is what we need to focus on at this time. Lion Mike Wozny needs more volunteers to fill all the shifts, both as shift chairmen and as workers. Please call Lion Mike (574-784-8858 or 574-514-7970) and sign up.

If our Lions Club is going to continue to survive, change is inevitable. Change is hard. It is a leap into the unknown, and people and organizations can become paralyzed with fear. However, change is a fact of life and we must embrace it. So it is with our club.

This is my last newsletter as your President and it has been a pleasure serving for and with you.

Important dates are included in the calendar in this newsletter.

Our June dinner meeting will be held on Tuesday, June 24th, at the Newton Center. We have a good program planned. A new member will be inducted, officers for the upcoming year will be installed, and we will present awards to those individuals who have made a significant difference in our community. If you are planning to attend this meeting, but are not on the permanent dinner list, please call Lion Jean Barlow (574-291-0680) by Sunday, June 22nd to make a reservation. If you are planning to bring a guest, please call Lion Jean. If you are on the permanent dinner list, but will be unable to attend this meeting, please call Lion Jean. It is important that we have an accurate count for the caterer, so that there is enough food for everyone, but we don't have to pay for more meals than are needed.

Closing thought: You cannot build a reputation on what you are going to do. This Lions Club has an excellent reputation because of what we actually do.

Yours in Lionism
Lion President Max Feitz

Nick Rynearson, a 2014 graduate of LaVille High School and the son of Lion Jeff and Shirley Rynearson of Lakeville, is the recipient of this year's Lakeville Lions Club \$1000 scholarship. Nick will be attending Purdue University to study engineering. Congratulations, Nick!

The fund-raising activities support our community service projects throughout the year, and we need your help to ensure their success.

On Saturday, May 10th, we held a Port-A-Pit Chicken and Pork Chop Sale at Dave Grenert's Garage. Thanks to the patronage of local residents and shoppers at the Town-Wide Garage Sale, we raised \$1200 to support the mentoring program at LaVille Elementary School. Here are a few pictures of Lakeville Lions Club members at work.
