JULY 2014

A Message From The President

Greetings Fellow Lions,

Historically, July is one of our busiest months and this one is no exception. We definitely hit the ground running. Our first board meeting of the 2014-2015 Lions year was held on 7/15/14. Some very important subjects were reviewed and approved during this meeting. Some of the items included:

- Club officer enhanced insurance coverage.
- Proceeding with the Club Excellence Process.
- Approval of the 2014 budget.
- Reimplementation of the 100% attendance program.
- Establishment of a central club library.

For additional details, please contact our club secretary, Lion Rose Russell, to request a copy of the meeting minutes.

It is important to note that supplemental club officer insurance is being purchased to provide protection for these members in the event they are named personally in a law suit. This policy covers defense costs that otherwise would have to be paid by the individual. By providing this insurance, we are required to make a change in the way we conduct our board meetings. Before, any member attending a board meeting could make a motion and vote. This is no longer the case. Now only board members and elected officers can make motions and vote. This procedure follows the guidelines of the LCI club constitution and by-laws. Yes, it's a change in our culture, but in today's world, we have no choice. We encourage our members to attend these meetings to provide input so the board can make informed decisions. If there is a topic you would like included, please contact Lion Rose Russell or me so we can add them to the agenda before the meeting.

In other news, a BIG LION ROAR goes out to Lions Mike Wozny and Jim Tillman, and Immediate Past President Max Feitz for leading the way on this year's 4-H Fair and dog show functions. The same goes for all that participated to make these events so successful. Once the post-event reviews are complete, a report will be made to the membership.

In closing, I would like to encourage everyone to read the article written by our new International President Joe Preston. It's on page 24 in the current issue of the Lions Magazine. Food for thought as to what we will be striving to achieve.

Yours in Lionism,
Lion Vic

SUCCESS
SERVICE

New Meeting Format- Plan on attending the year's first meeting of District Governor Marty Juel and his cabinet. Previously called 'cabinet meetings', the District Meeting will have topics and presentations of information to all officers and members of your club. Roll up your sleeves and get ready for action! As evident by DG Juel's theme, 'Success THROUGH Service (see how the word 'success' goes 'through' the word 'Service' above?), the focus of this meeting will be how you can use tools and resources available through the district chairpersons as well as LCI itself. If you haven't attended a 'cabinet' meeting in the past few years, be sure to send in your reservation and bring a carload to this one. Oh, there will be a great lunch, too!
