MAY 2015

Message from the President

Greetings Fellow Lions:

May is here along with Indiana's version of the monsoon season. Needless to say, not a lot is going on in the way of planting crops at the moment. This has provided time to work on our Lions projects. I'm pleased to report that our club successfully completed the CEP Workshop during our last Board meeting. As mentioned in the April newsletter, three areas of service opportunities have been identified. They are: providing food for needy children in our community, helping to provide meaningful activities for our middle school and high school youth including a central gathering place for students so they can have access to WiFi, and enhanced communications between all our community service organizations. Lion President Elect Jim Tillman will be assembling a team of Lions to address these service needs in the near future.

In other news, we will be having a unique presentation at our next dinner meeting. Lions PE Jim Tillman and 1st VPE Bob Court are putting a program together, complete with guest speakers that will take us on an Eye-glass Mission Trip, from the beginning to the end. There is a great deal involved in one of these missions and I'm sure we will gain a new found appreciation for our Lions who do this. Please make your plans now to attend.

Thank you very much for all for your hard work and continued support this lions year.

Yours in Lionism,

Lion Vic Fischer
President, Lakeville Lions Club
DGE, District 25-G

St. Joseph County 4-H Fair: The Lakeville Lions Club has been serving great food at great prices at the St. Joseph County 4-H Fair for more than 70 years, and we will be doing it again this year, from Friday, July 3rd through Saturday, July 11th. This is our single largest fund-raiser and we need the help of every member to ensure success. Please contact Lion Jim Tillman (574-291-6437 or 574-360-5705) to volunteer to work on this project.
