APRIL 2017

Message from the President

April!! Is spring really here? If it is, April showers bring Spring fundraisers! We are moving into our busy fundraising time of the year. Lots to keep everyone busy. First on up is The Studebaker Car Show at the 4H Fairgrounds May 2-5. Please contact Lion Jim Tillman if you would like to help. Second is the All Town Garage Sale Port A Pit on May 13. Please contact Lion Darcy Gardner to help. Third is the Tenderloin Dinner on May 19 at Palmer Community Center. Contact Lion Rose Russell to help. Fourth is the Relay For Life on June 3 at the Fairgrounds. Contact Lion Bob Court to help. Busy, busy, busy! Because of all of these fundraisers we are able to do so much good in our community and also at the state and international level. Almost forgot, while all of this is going on, there just happens to be our State Convention in Evansville the last weekend in April. Whew! Finally, I want to invite everyone to come to the next dinner meeting on April 25 to welcome 3 new members being inducted. Lets all give them a big Lions welcome! Bite Em! See you there. WE SERVE, BECAUSE WE CAN!

Your Lakeville Lions Club has a very busy schedule coming up! On Tuesday, Lion Bob Feitz told us about a local project designed to help our environment. He and Lion Sharon have set aside land to develop a habitat friendly for honeybees and butterflies. This pollinator project will consist of four acres of wildflowers, part of which will be in the Lakeville town limits. This is a major project that involves a five year commitment. The Lions are helping the Feitz family with this endeavor.

Check the schedule on page two for ways to serve your community.. In the picture at the right, Lion Howard Heines is busy working at the food booth at the 4-H Fair.

We Need Your Help

The Dribbler's bib is missing! This is the bib passed around at our dinner meetings for many years. If you currently have the bib or know of its location, please contact an club officer.

The Madison Township Lions have asked us to help them in some upcoming service projects/fundraisers. They are having a pork chop sale at the Wyatt Fire Station on May 20th from 11-2 or when the chops run out! The cost is only \$5.00.

On Saturday, May 6th, the Madison Club is hosting a blood drive. The hours are 8-12 and it involves a free breakfast. The blood drive will take place at their clubhouse in Wyatt.

Green Township will be participating in the Maple Syrup Festival this Saturday in Wakarusa. They need two or three Lions to help on their train on April 29th. Be there at 10 am if you can help.

If you are not on the regular dinner list, please call Lion Jean Barlow for reservations for the March 28th dinner meeting. Lion Jean can be reached at 291-0680. The Palmer Center's Schoolhouse Café is now open for business. The proprietor, Amy, will be catering the meeting. Please come and support your Lions Club.

At the April Board Meeting we voted to help a youth group from Lakeville United Methodist Church with finances so that they could participate in a mission trip to Camp Red Bird in Kentucky. Nine teens and four adults will be working in Daniel Boone National Forrest. They will repair homes and community buildings in this very poor area. Daniel Boone National Forrest is in Clay County, the second poorest county in the country. This will be a life changing experience for these kids as they serve others in need. Some of the participants may be helping at the Tenderloin Dinner.

Lion Susie Robledo at the Tuesday dinner meeting. If you are not a regular attendee, please come join us for fun and fellowship on May 23rd. All Lion members are also encouraged to attend the monthly board meeting at Scout Hall. Come and find out what your club is doing!
