## June 2024 Extra

Good afternoon, Fellow Lakeville Lions,

This is the last newsletter for this Lions year. I only have a couple of things to go over, then I'll let you get back to this wonderful summer day.

First of all, I would like to thank Lion Sharon Miller for taking on the office of Treasurer. She's been a member for over two years and I believe she will do an excellent job. I would also like to thank Lion Anthony (Tony) Cordes for stepping up and asking to take on the office of 1st Vice President. Tony has been a member for two years. I brought him before the board of directors at our last meeting and he was voted in unanimously. Now we need one more 3-year Director for our board of directors to be complete.

We did a great job at this year's Strawberry Festival in North Liberty last weekend. We had total sales of \$2,469.00, expenses of \$818.68, for a net of \$1,665.32 raised for Camp Millhouse. Thank you to everyone who helped to pull this off.

The June dinner meeting will be on the 25th at 6:30 pm at the Barn on W. Patterson here in Lakeville. This is going to be the biggest night of the year for us. First of all, did any of you realize that on the 28th of this month, we will 81 years old? That's amazing all by itself. In addition, District Governor Elect Warren Allender will be here to install our new incoming officers and directors. But wait! There's more. This is going to be the biggest Awards night that we have had in quite some time. We will be handing out over 20 awards after dinner. Dinner will be catered by Christo's Restaurant in Plymouth. The cost will be \$10.00 per person. I do request that this be a semi casual event. If everything falls into place, we will have 22 News there to cover the event. We all want to look our best for the TV camera, don't we? Reservations must be called in to Jean DuFord (574-201-0680) before June 18th. We have to turn in our head count on that day per our contract with them.

The Scouts are working with us to build a float for the 4th of July Parade in Lakeville. If you have any ideas, or want to help, it's being put together at my house at 64500 Maple Rd.

The 4-H Fair will start at the end of the month. If you have any time at all that you can help, get with Jim Tillman ASAP. He still has openings available.

Yours in Lions ,

Lion James W. Tibbs, President
