July 2024

Good afternoon fellow Lakeville Lions,

I thank each and everyone of you for a great year. With a little bit of luck and some hard work, we can have an even better year this year. The first thing I want to do, is to get all of you to make a list of 10 projects you would like us to do. That That would be 680 possible projects for us to make a difference in our community. Send your list to my email so I can share them with the board. We then go one step further and pick out the number one project you would like to see done. Then come to a board meeting and present it for approval. If everyone does this then we will have 68 plus projects for the year. Imagine the good we could do, and the lives we could change for the better.

Everyone is welcome and encouraged to come to any or all of our board meetings. They are open door meetings anyone can attend. This way you have a better understanding of how our club works. Board meetings are always on the second Tuesday of every month at Scout Hall. They start at 7PM. I am going to be working at the Indiana State Fair and will miss our first board meeting of this year. Our 1st Vice President Tony Cordes will be running the meeting that night.

We will not be doing First Friday in North Liberty this month. I do plan on making it for September. I'll keep you updated on that.

I am wanting us to do some kind of event for the veterans of Lakeville. I have already talked with the board to get some ideas. Now I am asking you for help. Give me your ideas on what kind of event and where to hold it. Email me or bring your ideas to a meeting. I feel like ideas grow better when you can talk them out.

We are discussing starting our Dictionary project back up. Anyone interested in working this project please contact me. I have all of Howard Heines papers on how to get it started.

Lion Darlene Shock and I turned in the pop tabs into the Ronald McDonald House. There was 20 pounds this year. We were the first in line and they were very happy to get them.

Thank you to everyone who participated in this project. Let's do even better this coming year and double that amount.

Our next Dinner meeting will be on August 27th at the United Methodist Church across from Palmers at 6:30 pm. It will be a pot luck dinner. A-M will bring side dishes, and N-Z will bring desserts. Let's make this a plus one night and bring a friend or family member who are not already Lions. Don't forget to call Lion Jean DuFord with your reservations at 574-291-0680.

As always,

yours in Lions,

James W. Tibbs
